

# KELLY TANKS

## STORAGE TANKS

### Various sizes/types of water storage tanks

A readily deployable fleet of Water Storage Tanks, robustly built for use in the construction industry or other harsh environments. Sprayed internally with corrosion-resistant paint.

Fork pockets and/or Lifting points

Simple to set up, empty and clean

Various Inlets/Outlets and/or Adaptors available

Pumps, pipework & fittings also available

We also have the capability to build bespoke tanks to your specification and can add features such as:

- Level gauges
- Internal Baffles
- Aeration pipework & diffusers
- Mixers, motors & paddles

1m<sup>3</sup> to 40m<sup>3</sup> open top & cylindrical tanks  
**AVAILABLE FOR HIRE OR PURCHASE**
